

I listen to K-Love at least 12 to 14 hours a day. I LOVE it. I don't listen to anything else. It's tuned in my car, I listen at work and every radio in my house is tuned in to K-Love. It's the best radio station, I've ever found. It helps me with my daily walk with the Lord! The music truly touches me. I wake up every morning with a K-Love song in my mind! Please don't take my K-Love away! I tell everyone about it! They a wonderful job! Keep it on the air, the world needs K-Love!
